About Cetaris

Cetaris Software Inc. as a premier provider of enterprise asset management solutions helping organizations around the world reduce the cost and complexity associated with managing their fleet related assets. Their solution Fleet Assistant was built by fleet people for fleet people, whose evolution began on the shop floor with an understanding and emphasis on the needs of fleet owners, managers, service technicians and administrative personnel. Their solution continues to evolve addressing all the key requirements a business demands to optimize the performance and productivity of its fleet related assets. Consequently, today some of the world's largest; most sophisticated and efficient organizations depend on the Web Fleet Assistant to manage millions of their assets in more than 50 countries worldwide.

Headquartered in Toronto, Cetaris is more than just a software provider, combining exceptional human capital, with best of breed business processes and world class software tools to deliver a robust, turnkey solution.
